

# Siva Cherukuri

Senior L1 Engineer at Etisalat

sivachows@outlook.com

---

## Summary

I am a Lead Software Engineer with more than 6 years of experience. I have been working in very different markets, that go from Telecom, Banking, Health Care, and IOT.

Besides working with big players, I also spend some of my free time engaging with Open Source projects. You can see some of what I do here:

- <https://github.com/sivachows/>

I also like to help other people getting better on what they love:

- <https://stackoverflow.com/users/3128757/sivacherukuri>
